

# Pearson BTEC Level 3 Extended Diploma in IT

Pearson BTEC Level 3 Ext. Diploma in Information Technology (IT) is equivalent to 3 Advanced 'A' levels or a university foundations qualification. This extended diploma is a 12-month programme allowing students a gateway to the IT industry.

Students are required to complete formative projects, assignments and coursework in various IT-specific modules in order to complete this qualification. Learners derive a range of skills and techniques, personal qualities, and attributes essential to make an immediate contribution to employment or explore transfer opportunities to over 200 universities globally.

## Career progression
