

The BTEC Level 2 Diploma in Business

The BTEC Level 2 Diploma in Business is a vocational high school completion programme that provides students with a solid foundation in business concepts and practices. The program is designed to give students the knowledge and skills they need to succeed in a variety of business-related fields, including marketing, finance, and management.

The program is typically delivered over 12 months, and it consists of a combination of theoretical and practical coursework. Students will learn about a wide range of business-related topics, including accounting, business communication, marketing, and business law. They will also develop key employability skills such as problem-solving, critical thinking, and teamwork.
