

Pearson BTEC Level 5 Higher National Diploma (HND) in Business

This course comprises practical training, industry-specific insight and technical skills development to aid an overall understanding of the world of Business. During the course, students will gain a deeper insight and understanding into overall business operations, start-up companies and global opportunities.

Students who successfully complete the course are well equipped to become impactful employees in the business sector.

For students wishing to continue their studies, they can transfer to a university and participate in a Business top-up degree in one of over 200 global universities.
