

Pearson BTEC Level 5 Higher National Diploma in International Travel and Tourism

ABOUT THIS COURSE

The goal of the Higher National Diploma (HND) in International Travel and Tourism programme is to shape students into professional, reflective individuals capable of fulfilling the requirements of the travel and tourism industry's employers while adapting to an ever-evolving global landscape. These qualifications are designed to broaden access to higher education and improve the vocational opportunities of those who pursue them.

The programme is structured according to global benchmarks and strives to deliver a top-tier business education, with a focus on the Travel and Tourism sector. The syllabus is meticulously crafted to blend fundamental business subjects with specialised courses in the Travel and Tourism domain, as shown in the representative study plan below.
